Dear Parents,

It's been a wonderful week in school – two Nativity productions, a whole school trip to see Sleeping Beauty, the PTA Christmas Fair, Christmas Lunch and last night's Carol Service.

As the year draws to an end, it's often a time of reflection and excitement for things to come. This year has been another challenging year for us all following the pandemic and the rise of the cost of living, but it's important to focus on the positive things. For us, it's the children and their amazing ability to make the world a better place. As principal, I send a lot of my time monitoring standards in school so we can celebrate the wonderful things about Warmingham but also identify things we can make even better. This year, what has really shone through all of my observations is the children's joy for their learning especially their study themes, but also their resilience when they find things challenging. Instead of giving up the children now have a positive mind-set and try to solve things for themselves rather than giving up at the first hurdle. A real life skill.

I'd like take this opportunity to thank you for your continuous support and positivity. I would also like to acknowledge my amazing staff who always go the extra mile for the children. I know that you appreciate everything we do. Finally, I would like to wish you and your family a safe and Merry Christmas and Happy New Year.

Kind regards,

Kate Appleby

Thank You!

As you know, the PTA have been raising money to purchase eleven laptops for the children. The Fashion & Fizz Night raised just over £1000, the Christmas Raffle raised an astonishing £568.20! Approximately another £600 on the afternoon of the Christmas Fair and with the £300 donation from Morris Homes and the money raised from the Film Night earlier this term, we now have enough money to purchase the laptops.

The school are also purchasing an additional eleven laptops from our school budget which means that every child in the class will be able to work on their own laptop rather than sharing one between two.

We would like to thank Claire and her PTA team for organising the events, EDF for providing the amazing raffle prizes, Morris Homes for their donations and you for supporting the events – thank you.

Let Your Light Shine - Out of School Achievements

Thomas passed his first Karate belt on Saturday, so has moved from a white belt to a purple belt and has passed his stage 4 swimming earlier this week. What a superstar!

Also this week – Some of our children helped tell the Christmas story at the Church 4 All with Mrs Glendenning. Francesca played Jingle bells on the piano, Emily played the violin and Sophie played the clarinet. Molly, Alice and Isla were there and joined in the story.

The following children made some cards and delivered them to a local care home: Zara, Lexi, Rogan, Oliver, Sam, Teddy, Rupert, Rosco and Eleanor. Amazing community spirit – well done.

Christmas Holiday Clubs

Cheshire East Council has teamed up with a number of local schools, holiday club providers, community and voluntary organisations to provide free fun activities during the Christmas holidays.

The activities are available across Cheshire East for children and young people who are eligible for benefits-related free school meals (FSM).

The free activity places, including specific provisions available for children with SEND or additional needs, are funded by the Department for Education as part of the government's holiday activities and food programme (HAF) being delivered by local authorities across the country. This programme has already successfully run in Cheshire East during 2021 and during the Easter and summer 2022 school holidays.

We want as many eligible children and young people as possible to benefit from this programme, so please promote this holiday activity programme with the eligible families that you work with!

Finding an activity to book onto is easy:

- Families can view the list of our HAF providers by visiting the [HAF Live Well Cheshire East Directory](#). On this page there is an interactive Google map identifying the locations of our HAF providers across Cheshire East, so they will be able to find providers who are local to where they live or want to visit.
- Once a family has found a provider they are interested in, to find out more about them and to book onto their sessions, they can visit the [Cheshire East Family Information Service Events page](#). Once you are on this page you can search the provider by name, read their offer and book a place by following the provider's booking instructions.
- Alternatively, families can visit the [Cheshire East Family Information Service Events page](#) and browse the fantastic range of winter activities on offer (*please note HAF providers start from the week commencing 19 December*).

This Christmas, Sport Works are delivering HAF provision in Sandbach.

The Holiday Activity and Food programme is a free holiday activity and enrichment project for children which includes food provision. Cheshire East Council have allowed funding for us to deliver our multi-sports and activity camps this winter, taking place at Sandbach Leisure Centre. Our camps will be available completely free of charge for children and young people on Free School Meals, including SEND provision.

There is no catch, no cost. However, places are extremely limited, so please ensure the families are aware of this and either book their place via the link below or get in contact with me as soon as possible; <https://bookwhen.com/sportworksnorthwest/e/ev-sxyb-20221227100000>
