Dear Parents,

Firstly, I would like to thank you for supporting your child with their home learning projects. The children are always so excited to share their work with their peers, the rest of the children and adults in school as well as the parents who were able to attend.

Last week some of Badgers' Class took part in a hockey tournament. They came second overall and won the small school's cup. We couldn't be prouder of them – not just for winning but for their sportsmanship whilst they were playing but also while they were watching other teams play. They were a real credit to our school.

On Tuesday the children took part on our sponsored pancake obstacle course to raise money for a quiet multi-sensory room. We have been blown away by the support for this project – over £1,300 has been pledged. The sponsor money can either be paid online (our preferred method) or in cash by Tuesday 27th February.

Our Enrichment Clubs will resume after half term, more details can be found on the School Spider app under surveys and forms. The clubs will finish at 4pm and run until the end of term, with the exception of Recorder Club which will finish a week earlier.

This Sunday, Reverend Paul will be leading an informal family worship down at St Leonard's. The service starts at 4pm. All are welcome.

Lastly, I just wanted to share something Oliver O said to his mother while they were talking about school. Oliver told his mum that we are a "small school with a big heart." It's a perfect description for us.

Have a wonderful half term making memories with your family and friends. We will see you all again on Monday 26th February 2024.

Kind regards,

Financial Assistance for Residentials

We have heard back from the Up and Under Foundation who we approached to ask if they could contribute to the cost of our residentials. If you applied for financial assistance, Mrs Marsden will be updating the amount you owe on school money to reflect the contribution we will be receiving once your child has sent their thank you letters.

Sponsored Pancake Obstacle Course

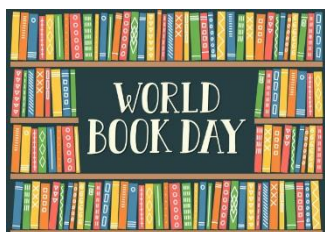

Once you have collected in your sponsor money it can either be paid via the school money app or cash can be sent into school for us to bank. To help Mrs Marsden, we would prefer online payments, but don't worry if this isn't possible.

Payments need to be made by Tuesday 27th February.
Once again, thank you for supporting this project.

World Book Day

Simon and Alice, our Head Librarians have started to put together some exciting events for whole book day, which is being held on Thursday 7th March this year.

This year's activities are going to be based around Charlie and the Chocolate Factory. They would like everyone, including the staff to come dressed as one of the characters from the story. They would also like every child to bring a book into school for our book swap.

Wellies for Wet and Muddy days.

Over half term, Mr Bugliarello will be putting up some more wellie racks for the children in Squirrels and Badgers.

We would like every child in school to bring in a pair of wellies to use on wet and muddy days.

Parent Communication & School Payments

After Easter we will be sending our parent communications via School Spider. You will already be familiar with School Spider as we already use it to book your parents evening slot, enrol your child on an after school club and complete online surveys for us.

We will also be using school spider to pay for school dinners, trips, residentials and other events in school. Hopefully it will make things a lot easier for you, and us using the one platform rather than the three we currently use.

For now all you need to do is download the free School Spider Parent App and enable notifications following the guidance via email last week.

You will receive notifications via the App and also by email.
