

### Super Starter

We will start our study theme reflecting on our time in Space, when we visited the space dome. Did we see any toys in Space?

As **Readers**, we will enjoy fictional texts based on the book, 'Toys in Space' by Mini Grey.

As **Writers**, we will be writing stories based on the structure of this book.

As **Geographers**, we will identify the seven continents and five oceans of the world, using globes and digital resources to describe our locality in relation to these. We will observe the Earth from Space, just like the visitors did in the story of 'Toys in Space'.

As **Artists**, we will be developing our painting skills, and taking inspiration from Van Gogh's Starry Night.

As **Musicians**, we will learn about Gustav Holst's The Planets and be inspired to compose our own Space music.

# Into the Unknown

## Hedgehogs' Class

Summer 1

2024

As **Computer Technologists**, we will be using Purple Mash to learn about **coding** and developing our skills to enable us to launch a rocket.

As **Historians**, we will be learning about the lives of significant others, comparing aspects of lives of Neil Armstrong, Ernest Shackleton and Christopher Columbus (explorers – on Earth and in Space).

As **Scientists**, we will continue our learning about 'Materials', before we learn about 'Plants'. Do plants grow in outer space?

**For our RSHE:**  
**British Values: Mutual Respect and Tolerance**

Articles: 16, 17, 19, 24 & 27

**Heartsmart – Fake is a Mistake!**  
**Christopher Winters SRE**

As **Sports people**, we will be developing our **running** and **jumping** skills. Did Neil Armstrong hop, jump or skip on the moon?

As **Theologians**, we will be engaging in the Christian Concept, World Religions and learning about, Judaism. How do Jews show love for God in everyday life?

### Fantastic Finish

We will have an alien afternoon tea party, but we won't leave anything out in the garden!
