## Well Being Corner

Spend time outside every day!

There is growing research to show the positive impact of spending time outside has on our brain, emotional and physical wellbeing. If possible get outside every day over the weekend even if it is only for 5 or 10 minutes.

Try creating an obstacle course, it's an exciting way to exercise! Use some garden furniture and chalks to draw out a course. Add challenges of course. You can add a puzzle to be solved, a vast area to be crossed without touching the ground etc!

Kind regards,

Mrs J Cliffe (SENCo) and Ms K Charlesworth (Pastoral Manager) RCSAT

# RCSAT Attendance Notification

What the law says about school attendance:

The law requires all children between the ages of 5 and 16 to be in full time education.

Under Section 7 of the Education Act 1996 it is the duty of the parent/carer of a child of compulsory school age to ensure that they attend school regularly.

Supervision Order Children's Act 1989: The local authority can apply to the courts where attendance remains poor. A named education supervisor would be appointed to work with the family for up to 12 months to ensure the young person receives full time education.

School Attendance Order Education Act 1996: If this is issued; parents would be directed to register their child at a school named by the local authority.

A warning letter can be issued when a pupil has had 10 or more unauthorised absences from school. The warning letter gives parents a period of 15 days of monitoring. If at the end of this period if there has not been an improvement or an improvement has been made but not sustained, a Penalty Notice will be issued.

Families who take their children out of school for holiday within term time, or for other unauthorised absences exceeding 10 sessions. A Penalty Notice will be issued.

Penalty Notice: Each parent/carer would have to pay £60.00 per child. If this is not paid within 21 days, the payment increases to £120.00 per child per parent. Payments will not be accepted after 28 days. If parents do not pay, the Local Authority will prosecute in the Magistrates' Court. If convicted the parent will have a criminal record and may receive a fine of up to £1000.

The department for Education have a range of information available regarding attendance.
