

Warmingham CE Primary School
School Lane, Warmingham
Cheshire. CW11 3QN
Tel: 01270 526260
Acting Executive Head: Mrs Nic Badger
Principal: Mrs Kate Appleby

**'Do not fear, for I am with you; do not be dismayed, for I am your God.
I will strengthen you and help you; I will uphold you with my righteous right hand.'**

Isaiah 41:10

Dear Parents,

Over the course of the week we have managed to speak to most of you. It was reassuring to know that you are all coping well and enjoying this time with your families. Lots of you are also keeping in touch through Facebook and our closurewarmingham@rcsat.cheshire.sch.uk email. Thank you - we love hearing from you.

I have added a few new pages to the school's website - 'Well Being & Additional Support' and 'Home Worship'. Both of these can be found in the 'Home Learning During Covid19 School Closure section'. The well being page contains some online support and telephone numbers you may find useful. I have also downloaded some of the children's favourite GoNoodle relaxation exercises they like to do in school. The Home Worship page contains lots of things you can do at home with your family. The children at Warmingham all adore singing. I have added some of the songs we sing to the 'Home Worship' page. You'll find them at the end of the page. We have also added a few more activities to the class pages. Please remember these are for you to dip in and out of. Please don't feel that you have to do all or any of them.

I'm sure you will all join in with wishing Frankie and Alice a very happy birthday. Enjoy your special day. Please keep sending your emails and sharing what you've been up to on FaceBook. Don't forget, we are still here to support you and your family. Just send us an email and one of us will get back to you as soon as we can. Have a wonderful Easter. Above all stay safe and look after yourselves.

Kind Regards,

Kate Appleby
Principal

The Rainbow Children

The history books will talk of now,
That time the world stood still.
When every family stayed at home,
Waved out from windowsills-
At those they loved but could not hold,
Because they loved them so.
Yet, whilst they did they noticed all the flowers start to grow.

The sun came out, they can recall,
And windows, rainbows filled.
They kicked a football in their yards,
Until the night drew in.
They walked each day but not too close,
That time the world stood still.
When people walked straight down the roads,
That once the cars did fill.

They saw that people became ill,
They knew the world was scared.
But whilst the world stood still they saw,
How much the whole world cared.
They clapped on Thursdays from their doors,
They cheered for the brave.
For people who would risk their lives,
So others could be saved.

The schools closed down, they missed their friends,
They missed their teachers so.
Their Mum's and Dad's helped with their work,
They helped their minds to grow.
The parents used to worry that,
As schools were put on hold,
Their children wouldn't have the tools,
They'd need as they grew old.

But history books will talk of them,
Now adults, fully grown.
Those little boys and girls back then,
The ones who stayed at home.
They'll tell you that they fixed this world,
Of all they would fulfil.
The RAINBOW children building dreams,
They'd dreamed whilst time stood still

Gemma Peacock
Mum of 2 from Durham.

Jar of Wishes

Get a jar and every time someone in your house says they wish they could do something, write it down and put it in the jar – when all of this is over you will have weekends of fun plans to catch up on and everyone will be a little more grateful for the adventures.

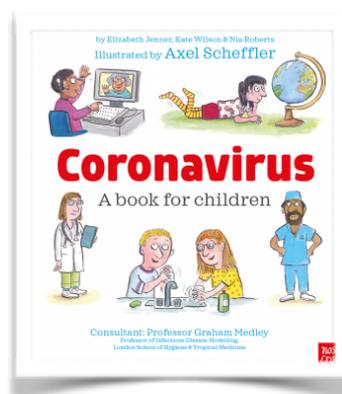

Coronavirus - A book for Children

Axel Scheffler has illustrated a digital book for primary school age children, free for anyone to read on screen or print out, about the coronavirus and the measures taken to control it. Published by Nosy Crow, and written by staff within the company, the book has had expert input: Professor Graham Medley of the London School of Hygiene & Tropical Medicine acted as a consultant, and the company also had advice from two head teachers and a child psychologist.

The book answers key questions in simple language appropriate for 5 to 9 year olds:

- What is the coronavirus?
- How do you catch the coronavirus?
- What happens if you catch the coronavirus?
- Why are people worried about catching the coronavirus?
- Is there a cure for the coronavirus?
- Why are some places we normally go to closed?
- What can I do to help?
- What's going to happen next?

Competition - RCSAT Schools

Calling all Year 2 - 6 children. We have been challenged to a TTRockstars Battle by Bunbury and St Oswald's Primary Schools! This is the first battle we have attempted between schools within our Academy Trust. The battle commenced on Monday 6th April and lasts until Monday 20th April. All points gained will go towards the overall school tally for the battle. Let's get those points earned as a team! We have **GOT** to win! To help us practice I have set up a battle between Y3 and Y4 and another one between Y5 and Y6. The last time I looked Year 4 and Year 6 were winning. I will keep you posted on Facebook. #RCSATbattleoftheschools

Saturday 6th May
Anointing feet - Believing and Forgiving

Other Dates:

13th June

11th July

Prayer for the Week:

For hospital staff and medical researchers

Gracious God,
give skill, sympathy and resilience
to all who are caring for the sick,
and your wisdom to those searching for a cure.
Strengthen them with your Spirit,
that through their work many will be restored to health;
through Jesus Christ our Lord.
Amen.
