**'When I am afraid, I will put my trust in you.
In God, whose word I praise—in God I trust and am not afraid.'**

Psalm 56:3-4

Dear Parents,

Happy VE Day Warmingham!

Today marks the 75th anniversary of the liberation of Europe when the German forces signed the unconditional surrender which signalled the end of the Second World War. It is a chance for us to celebrate and commemorate together and I know lots of you will have Union Jacks flying, bunting out and taking the opportunity to have a VE Day celebration in your garden. I hope you are all able to have a lovely, relaxing day as you enjoy the VE Day Bank Holiday. Strictly no home learning today please as we are not doing any in school and just having a VE Day party! Please don't forget to send us lots of photos of your celebrations. We would love to see them.

Please keep sending your emails and continue sharing what you've been up to on our new Padlet - they brighten up our days. Don't forget, we are still here to support you and your family. Just send us an email and one of us will get back to you as soon as we can. Above all stay safe and look after yourselves.

Kind Regards,

Kate Appleby
Principal of Warmingham CE Primary School
Proud member of the Rural Church Schools Academy Trust

Stars of the Week

Reception - Maisie for her fantastic VE day work.

Year 1 - Tiana for her super story of Zacchaeus

Year 2 - Simon for his amazing roundhouse

Year 3 - Elizabeth for working hard whilst at St. Oswald's and forming new friendships.

Year 4 - Thomas for for sending so many lovely photos of his home learning.

Year 5 - Tyler for his super bunting.

Year 6 - Chloe for her beautifully written newspaper report.

Our Star TT Rockstars

1st - Selusiyah Y6

2nd - Ellie Y6

3rd - Elliott Y4

4th - Poppy Y4

5th - Frankie Y4

6th - Ellourenne Y4

7th - Oliver Y4

8th - Tyler Y5

9th - Samuel Y3

10th - Micheal Y4

Top Class: Year 3 and Year 4

Principal's Award

Emily and Frankie for helping your Mum and Dad on the farm.

You have been absolute superstars.

Happy Birthday

Zara - Enjoy your special day x

A caring Christian family where we grows together

Bible Readings

Readings from the Children's Bible
Pages 76 – 77 God on the Mountain

Whole School Worship with the Archbishop of Canterbury:
Every Thursday, the Church of England will be leading a collective worship for the family. It will be available for streaming through the TES YouTube channel:

https://www.youtube.com/channel/UCgOKwgu5_g9Pm1YBMb5G_A

Weekly Family Bible Based Devotions

The Little Worship Company is providing free, weekly Bible-based devotions for young families. These are easy, engaging resources to share with families. Further information can be found on their Facebook page, search for 'Little Bible Times' or click on click on this [link](#).

Prayer for the Week:

God of compassion,
be close to those who are ill, afraid or in isolation.
In their loneliness, be their consolation;
in their anxiety, be their hope;
in their darkness, be their light;
through him who suffered alone on the cross,
but reigns with you in glory,
Jesus Christ our Lord.
Amen.

Don't forget there is also a 'Home Worship' section on the school's website.

HOME LEARNING

We appreciate how difficult it is juggling learning activities at home with your own jobs and priorities. As always, we would urge you to find your own rhythms and routines. What is right for you and your own individual circumstances is RIGHT for your children at this moment. Please don't worry that you aren't getting it right - you are – and you are all doing an amazing job! As a society, we have never been in this position and we are all learning and adapting day by day.

On our website you will find lots activities and tasks to help you with your child's home learning.

Please don't feel that we expect you to complete all of them.

They should be treated more as ideas and suggestions to dip in and out of rather than a list of must dos. Learning is just like learning to play an instrument - little and often and you'll be a concert pianist!

As a rough guide we would like you to complete the following each day:

1. Spend valuable family time together, playing games and having fun.
2. Daily exercise - physical and mental (GoNoodle is brilliant for this).
3. Read and share stories.
4. Keep a diary or scrap book about your time in lockdown. In years to come we will be able to flick back through your memories and thoughts.
5. Practise your spellings
6. Complete one of the tasks from the English Pack which you can download from our website.
7. White Rose Maths - Daily Maths activities with video clips for the children to watch before they start the work. You can download these from our website.
8. TT Rockstars - Year 2 upwards. Try to play at least one game a day.
9. Mathematics - Play games. Click on the 'Play' tab to play games which will ensure the children continue to develop their Maths skills.

Over the course of the week also try to:

1. Complete the fluency grid - You can download these from our website.
2. Complete one of the tasks from the Take Away Homework - You can download these from our website.

Staying in Touch - Reminders

During this difficult time it is important that we stay in touch. Below are a list of the various ways we can stay in touch and support each other.

School's Website - <http://www.warminghamce.cheshire.sch.uk/>

We have added a new section to the school's website to support you will you are at home with your children - **Home Learning During COVID19 School Closure**. In this section you will find a page dedicated to each class full of useful resources to support you with home learning.

From Monday we would like the children to:

1. **Spend valuable family time together**, playing games and having fun.
2. **Daily exercise** - physical and mental (GoNoodle is brilliant for this).
3. **Read** and share stories.
4. I would like all of the children to keep a **diary or scrap book** about their time in lockdown. In years to come we will be able to flick back through our memories and thoughts.
5. **White Rose Maths** - Daily Maths activities with video clips for the children to watch before they start the work.
6. **TT Rockstars** - Year 2 upwards. Try to play at least one game a day.
7. **Mathletics** - Play games. Click on the 'Play' tab to play games which will ensure the children continue to develop their Maths skills.
8. **Phonics/Spellings**

There are also a selection of other resources the children can dip in and out off - Some new take away topic work, Lego Challenges, Creative Maths, Garden Maths, Cooking with Maths, Reading, Writing and Poetry and so much more. Please DO NOT expect your child to complete all of it. There is far too much! We have tried to cater for the children's different interest to make things a little easier for you. We will not be setting activities to complete on Mathletics as the children will have enough to do with the White Rose Maths.

There are also **three other pages** in this section of the website:

- Special Education Needs - additional support for our families with SEN children
- Home Worship
- Wellbeing & Additional Support

Closure Email - closurewarmingham@rcsat.cheshire.sch.uk

This email address to checked daily by a range of staff. One of us will get back to you as soon as we can.

Facebook - <https://www.facebook.com/warminghamceprimary/?ref=bookmarks>

We have recently set up our own Facebook page.

Padlet

A padlet is a safe way the children can share their work with us. It's basically a page that you can upload things on to. Please read the letter which was emailed with this letter for more information.

Good Old Fashioned Phone calls!

From time to time we will phone you for a catch up. If you receive a call from an unknown or withheld number, it might be one of us.
