Happy Birthday

“Encourage one another and build each other up.”

1 Thessalonians 5:11

Dear Parents,

There is an air of excitement in school – the children are looking forward to singing and dancing at the Warmingham Wakes tomorrow. Thank you for supporting our PTA with their Jazzy Jar stall. There is also a Wakes service at St Leonard's on Sunday at 6:30pm. A few of our children will be reading – it would be lovely if you can join us.

Across the country, thousands of Year 6 children will be preparing for their KS2 SATs tests. At Warmingham, we try hard to ensure that the children don't become too anxious about these tests, and instead try to put a positive twist on them. Instead of them being a test, the children are encouraged to see them as a chance to show how hard they have worked over the last four years and all the things they have learnt to do. We remind the children regularly that the tests are just a snapshot and will never reflect all the amazing things they can do – whether that's academically or not. Our children all have so much to offer, and that's what we value, and this is what we share with the teachers at their new High Schools.

The Year 6 children will be completing their tests in the classrooms. This means the children in Squirrels class and the Year 5 in Badgers will need to go straight to the village hall where they will spend the morning for the majority of the week (Monday to Thursday). Please can Squirrels and Year 5 come in their PE kits all week. On Friday morning, they will all be able to come into school through the playground door as normal.

Have a wonderful weekend with your families.

Kind regards,

Kate Appleby

Sport's Competitions

From time to time. We are asked to participate in various sporting events at one of our local high schools. There is usually a specific number of children who can participate. In the interest of fairness and to ensure all of the children have the opportunity to let their individual lights shine, we select children using the process below:

All of the children are initially asked if they would like to take part. They are positively encouraged, but never pushed. If there are more children than spaces, we put the children's names into a hat and the required number of children, and two reserves will be pulled out of the hat.

We will then make a note of the names who weren't pulled out. These children will be offered a place at the next sporting event. We start the selection process again every September because of the mixed aged classes.

Middlewich High School no longer provide a minibus to transport the children to these events. As a result, parents are asked to organise transport to and from the events. It would be helpful if you let Mrs Marsden know if you are willing to help transport other children.

The next events are:
Tuesday 10th May – Y3/4 Athletics Festival at Middlewich High
Tuesday 28th June – Y5/6 Rounders at Middlewich High
Tuesday 5th July – Inclusion Sports Festival

Mr Friel is also in the process of arranging some sporting competitions across the trust.

Relationships & Sex

Relationships and Sex (RSE) are part of our Relationships, Sex and Health Education (RSHE). Our RSHE curriculum develops the knowledge, understanding and skills young people need to manage their lives, now and in the future. Learning about relationships and sex supports children to stay safe, enjoy positive relationships of all kinds, and make informed decisions. It will build positive foundations for healthy and safe relationships of all kinds.

At Warmingham, our curriculum starts with our family and friends and how to be kind, the importance of caring and respectful relationships before moving onto how our bodies change during puberty in preparation for reproduction and the basic facts about pregnancy in Year 6. As part of the curriculum, we also cover online relationships because of the world we live in today. We use the 'Christopher Winters Project' to deliver our Relationships & Sex Education during the summer of each year. This year, will be delivering the age appropriate lessons after half term.

A copy of our RSHE scheme of work, Relationships Policy and the units of work from the Christopher Winters Project can be found on our website in the 'Pastoral Care and RSHE' section.

If you would like to discuss any part of the curriculum, please speak to your child's class teacher or Mrs Appleby.

Warmingham Wakes

Don't forget it's the Wakes tomorrow - Saturday 7th May. If your child is taking part in one of the events, they will need to arrive at the following times:
