Thursday

Rounder's &
Construction Club

Friday

PE for all.
Outdoor Games Club

Ethos Conference @
Bunbury

Happy Birthday
Izzy

“Do to others as you would have them do to you.”

Matthew 7:12

Dear Parents,

Earlier this week, our Year 6 children visited their high schools where they made new friends and experienced a range of lessons including food science, drama and chemistry with Bunsen Burners. The rest of the school had the opportunity to spend two days with the teachers and the children they will be with in September. They spent their time playing team building games, creating artwork to brighten up their classrooms and find out about their study themes for the year. Together as a class, they devised a list of questions and things they would like to learn about. Although we decide on the study themes, and know what the children need to learn, it's important to us that we involve them in the planning. They were asked what they would like to discover and learn. The teachers will now use this information to bring the study themes alive.

It's another busy week next week. Year 5 have been given the opportunity to spend the day at Middlewich High School. They will be given the chance to take part in two lessons, eat in the school canteen and spend the afternoon competing in a sports' competition. It's a wonderful chance for the children to experience what it's like at a high school, and hopefully settle some fears and excite them about what's to come – even if they won't necessarily be going to Middlewich. Year 6 will be going on their leavers' trip on Wednesday – they won't find out what they are doing until we get there. It's not been easy keeping the surprise as they keep digging for clues! Have a wonderful weekend.

Kind regards,

Kate Appleby

Principal of Warmingham CE Primary

Proud member of the Rural Church Schools Academy Trust

Staffing for September 2022

Otters – Mrs Allen

Hedgehogs – Mrs Bugliarello & Miss Killilea

Squirrels – Miss Turrell & Mrs Knight

Badgers – Mrs Wright, Mrs Appleby, Mrs Morris and a new TA who we will be appointing before the end of term.

Miss Ollerton

As you are aware, Miss Ollerton is expecting a baby at the end of July. She was hoping to carry on working until the end of term, but she has needed to start her maternity leave early. If you would like to send her a card, please send it into school and we will forward it to her. I will let you know when the baby arrives.

STAR Day – Thursday 14th July

Each year we invite parents into school to look at and celebrate their child's work and achievements with them. This year our STAR day will be on Thursday 14th July from 1:30pm onwards.

Parents will be able to spend some time looking through their child's books – celebrating all the things they have achieved this year.

Parent Survey

Earlier this week we sent out our annual questionnaire. Next week we will also be sending out a questionnaire about the relationships and sex lessons we have been delivering over the last three weeks. We value your opinions and would appreciate if you could spend a couple of minutes completing both. We use the information to help us evaluate our current practice; identify what we are doing well and what we need to improve to make Warmingham the best possible school for our children.

Both surveys/questionnaires are on school spider.

Church under the Stars Finding your place in Creation

At the Church on Ettiley Heath CW11 3NE
16th/17th July 2022

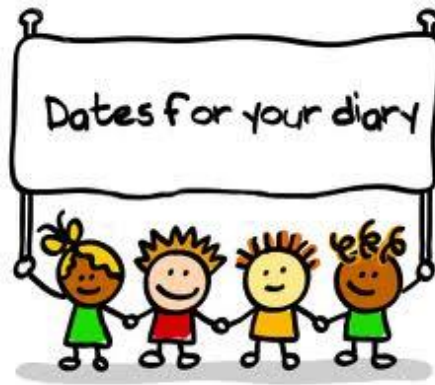

Willow weaving workshop Fire pit Forest Church

Breakfast bap and hot drinks included
