'Always be thankful'

1 Thessalonians 5:16

Dear Parents,

Our new Reception children started this week – welcome to our family. They have all had a wonderful first week and already adore school. Next week they will be staying with us for lunch. The rest of the children are thoroughly enjoying be back at school, as I said last week, it always amazes me how resilient children are.

I would like to thank you for your continued support over the last two weeks. From your kind comments, I know that you appreciate everything we are doing to keep your families as safe as possible. They mean a lot to us during these challenging times.

Next week, we will be starting our new study theme 'What A Waste'. On Monday the children will be bringing their 'Homework Journals' home with them. Inside, there will be a study web, list of this term's spellings, our home learning expectations and their user names and passwords for on online homework. The children will need to bring them back into school on Monday 19th October so they can share their work.

One of our Directors, Ian Rutter has resigned from the governing board. I know that you will join me in thanking him for his many years of service and dedication. I know he will continue to support the school as a parent.

Kind Regards,

Kate Appleby

Y6 Responsibilities

It's that time of year again, when our Year 6 children are asked to help us a little more in school. I have had several discussions with our current Year 5 and Year 6 children about the different roles we have and their purpose. They have decided they would like the following responsibilities:

Head of School (x2)
House Captains who will lead all inter house competitions (x4)
Eco Warriors who will lead our Eco Council (x2)
Librarians (x3)

We will also have four Y5 Play Leaders.
These children will be trained by our current Y6 Play Leaders.

The children who would like to be considered for one of the 'Head of School' roles will need to prepare a short speech. Miss Rauer is going to film these so they can be shared with the rest of the children, staff and parents. The elections will be next Friday 18th September. As parents, you will also have a chance to vote. Details will be sent out next week.

Once our new Heads of School have been chosen, I will ask the remaining children which of the other roles they would like to do.

Prospective Parents

I am in the process of putting together a short film to promote our school. I would like to include some of your thoughts about the school. I'm planning on using some of the photographs we have of the children in school and in between each photo place a comment from the children or a parent. Please email any comments to principalwarmingham@rcsat.cheshire.sch.uk

Our Harvest Service will be on Friday 2nd October @ 9:30am.

Unfortunately, as things stand, this will have to be online over Zoom. We will still be collecting donations for the Foodbank in Middlewich.

Unfortunately, the **Harvest Walk on Sunday 4th October has been cancelled.**
