## *Always be thankful'*

1 Thessalonians 5:16

Dear Parents,

As we come to the end of our third week in school, I think it's important to reflect on what we have achieved. Our children have returned and have settled well into school. They feel safe and are happy to be back. There is a wonderful buzz in the air. The children are excited about their new topic – What A Waste. We, as parents are getting used to our new 'normal'.

Celebrations Worship @ 9:30 am

Earlier this week, I sent you an email about how you can help us to select our new Head Pupils. Twenty-two of you have already voted – thank you. The children, staff and governors will be voting next week. Watch out for the announcement in next week's newsletter.

Thank-you to all of you who joined us at last night's, PTA meeting. They would like to run the following events to raise money for the school. The children will be designing Christmas cards for you to purchase and start saving your loose change for 'fill the bottle' challenges. They are also planning on having a Christmas raffle, woodland walk to see Father Christmas and an own clothes day the Friday before half term. Moving forwards, they would like to have a parent from each year group on the committee. Is this something you would like to do? More details to follow.

I know that there has been a little confusion about the children's yellow home learning journals. There is NO expectation that the children have to complete all of the tasks in one a week. The idea is that the children choose something which excites or interest them. They can work on it for the whole half term or do a different task each week. It's up to them. The children will then need to bring their work on **Monday 19<sup>th</sup> October** to share with their class – a celebration of their work. The children using IDL will not have weekly spellings as the programme generates the spellings for them.

Have a wonderful weekend.

Kind Regards,

Kate Appleby
