1 Thessalonians 5:16

Dear Parents,

In a world which continues to feel strange, we mustn't forget that there are things we can control – for us our determination to let our light shine so we can be the best version of ourselves. The Warmingham Way could not be more apt at this time, and it will help us come through this storm. As a school we are trying not to worry about the things we cannot control, but focus on what we can do, and do it well.

Today, the children came dressed in yellow to raise money for Young Minds, a worthy charity. Throughout the day they have also been completing activities to remind them how important it is to talk to someone if they are worried about anything.

Next Friday, we will be thanking God for this year's harvest. Our new head pupils, Anna and Amelie will be leading the service. Do try to join us.

Thank you for all of your continued support. Have a wonderful weekend.

Kind Regards,

Kate Appleby

Principal of Warmingham CE Primary

Proud member of the Rural Church Schools Academy Trust
