'Let Your Light Shine'

Matthew 5:16

Dear Parents,

It's been a rather busy week in school – cake sales, home learning exhibitions, parents' evenings, visit to the zoo and SENs meetings. On Monday the children brought in their home learning projects. Since inviting parents in to see the children's projects there has been a significant improvement in the number of children completing their projects – the majority of the children now complete a project which is wonderful. Thank you for your support you provide at home, helping the children and for coming into school to see the children's work. It makes such a difference. On Monday, our head pupils ran a cake sale to raise money for the PTA. Thanks to your amazing donations we raised £82.42. The next PTA event is the 'Glow Up' Disco which will be held on the first Friday back after half term. The money raised is currently going towards the cost of the coaches for the residentials and Wow starters, and any leftover will start the fund for our class set of VR headsets.

On Wednesday, Hedgehogs finished of their study theme with a visit to Chester Zoo. The children were particularly excited about seeing the penguins as they have been the focus for their study theme and writing this term.

After half term, I will be sending a questionnaire asking for parent representatives from each year group to be part of our parent council – this is something we had in the past which I would like to set up again. I will also be looking for a parent to chair the meetings and another to be take minutes and a collate the questions raised. Please look out for the email, if this is something you'd be interested in.

Fingers crossed this dreadful weather doesn't last long so you can get out and about, and enjoy half term. Have a wonderful week – see you all on Monday 30th October.

Kind regards,

Kate Appleby

This year's Ethos Team are working hard towards achieving the silver Rights Respecting Award. To support their application, they will be looking at which charitable organisations they would like to support that also link into our school's courageous advocates that are intertwined through our connected curriculum.

Their first four events are: Remembrance day on November. We will be commemorating this with our service in church on Friday 10th November. The Ethos team will be selling poppies in school from 1st November to support the Royal British Legion and to remember the service and sacrifice of all those that have defended our freedoms and protected our way of life.

Children in need Friday 17th November. This year the focus is on positive relationships, schools across the UK will unite to celebrate the power of positive relationships, and the impact of these relationships in helping to support children and young people throughout the school years. Many children and young people experience some of their first positive relationships with teachers and mentors at school, and so we want to celebrate that. Key celebrities are joining the campaign this year and sharing some of their fondest memories from school such as England's Lionesses, as well as Dame Jessica Ennis-Hill and Youtube sensation Harry Pinero. The Ethos team would like to ask everyone to join in by wearing your pyjamas and donating what you can and participating in an assortment of friendship activities over the day that share our fond memories of school.

Their third event is when we make Christingles in school for our Christingle service on Friday 1st December. We will also be asking for donations of loose change in our Christingle boxes to support The Children's Society. This charity support helps children across the country transform their lives by making it possible for us to offer them vital support and letting them know that they're not alone.

Christmas Jumper day on Thursday 7 December which supports Save the Children. We will join millions of people and put on our jazziest jumpers for one day in December, donating £2 to Save the Children, and helped make the world better for children in the UK and around the world.
