‘Let Your Light Shine’

Matthew 5:16

The week started with Hedgehog’s residential to Burwardsley Outdoor Centre. The children spent their first day orienteering, den building at the top of Willow Hill and singing around a campfire. The fresh air and exercise must have tired the children out as they were all asleep just after 9pm – a first! They woke after their wonderful night’s sleep to a delicious breakfast. They then spent the morning making some clay coil pots, participating in an archaeological dig before they set off into the jungle to practise their survival skills. The children had an amazing time and were a real credit to the school.

Some of Badgers Class represented the school in a netball tournament tonight. For the first time, we were able to enter two squads. Our first team (Warmingham 1) won all bar won of their games. They lost their last game in the last few seconds when the opposing team scored the winning goal. Overall, they came second in their league. Our second team (Warmingham 2) won all of their games and came 1st overall in their league which meant they went through to the final. They played incredibly well in the final against an amazing team who won the game.

Both teams were amazing, and although we lost in the final, we couldn’t be prouder off each and every one of them. Well done Alexander, Oliver, Eliza, Lilly, Jack, Simon, Pati, Tiana, Freddie, Morrison and Alfie.

We have some exciting things planned next week: Space Dome on Monday, the STEM Family Learning Event on Wednesday and our Easter Service on Thursday – parents are welcome to join us.

Burwardsley 2024

We would like to thank the 'Up and Under Foundation' for the support they have provided to some of our families. Please visit our Facebook page and the school's website to see more photographs of the residential.

Over the last two week's we have been taking part in a TT Rockstars Battle against the other two schools in our trust: Bunbury and St Oswald's. As you'll see from the table above, we won! Our most valuable player was Alexander, followed by Seb and James. Well done everyone.

Science, Technology, Engineering & Maths Family Learning Event – Wednesday 27th March

We are hosting, the first of its kind, STEM Family Learning event on 27th March 2024 from 2.30pm until 4.00pm, at the Warmingham Village Hall.

There will be a selection of stalls and workshops for the children and their parents to enjoy together. All activities will be related to STEM, with companies and other educational establishments showcasing a variety of Science, Technology, Engineering and Maths. The children will have the opportunity to visit the event from 1.30pm with their class and then parents are invited to come along and enjoy the rest of the afternoon with their children from 2.30pm. There will be lots to see and do including Biology, Chemistry, Robotics, 'Maths is Fun', Bentley, Chess and Virtual Reality.

Easter Bonnet Parade – Otters and Hedgehogs

Each year we ask the children in Otters and Hedgehogs to make an Easter Bonnet to wear to our Easter Service.

This year our Easter Service is on Thursday 28th March at 10am. Parents are welcome to join us. If you would like to join us, please meet us at school at 9:30am so we can walk down together.

Parent Communication & School Payments

As you know we will be sending our parent communications via School Spider after Easter. From 4th June you will also need to use School Spider to make payments instead of School Money. Having the one platform for communication, parents evening, clubs and payments should make things much easier.

Don't forget to download the APP if you haven't already done so.

Please ensure all outstanding balances are paid before 1.6.24
