'Let Your Light Shine'

Matthew 5:16

Dear Parents,

Yesterday, some of the children from Squirrels' Class took part in a hockey tournament at Deeside Ramblers – a local hockey club. The children lost their first two games but pulled everything together to win their third and fourth games, and draw in the final game. Overall, they came third – well done Edward, Evie Ivy, Jacob, Jenson, Milo, Niamh, Noah and Rosco. We'd also like to thank Mr Price who has been training the children in school and for helping Miss Turrell at the tournament. It was also lovely to see Oliver who came to help his dad on Monday night.

Last night, Sarah Skelley, an experienced maths consultant, led a Maths Workshop for parents. She provided lots useful practical tips about how parents can make maths at home fun whilst support their children to learn. I know that the parents who were able to join us found the meeting informative and now feel more confident about how they can help develop their child's maths skills through everyday activities in and around the home.

Can you believe that there are only another two weeks left of this half term? The teachers are looking forward to meeting with you next week to share how well your children are doing in school. You will also have an opportunity to look through your child's books. Unfortunately, you won't be able to park on the village hall carpark as we haven't booked the hall. We will leave the school carpark open for you to use. For those with later appointments please ensure that you either bring a torch with you or make sure that the battery on your mobile is charged so you can use your mobile's torch.

How are the home learning projects going? We are looking forward to seeing the children's work on Monday 21st October. Parents will be able to join us at 2:30pm when you will be able to collect your child before looking at all the children's amazing projects.

Kind regards,

Kate Appleby
Principal of Warmingham CE Primary
Proud member of the Rural Church Schools Academy Trust

School Dinners

After half term, we will be moving over to a new booking system for school dinners. You will need select which option you would like your child to have online and pay for them in advance if your children isn't entitled to free meals (Reception to Year 2 and any families in receipt of the free school meals benefit). Could you please ensure that you have cleared your current balance by Friday 25th October 2024. Thank you.

PTA News – Dates for your diary

Family Quiz Night – 18th October 6pm

Lights Disco – 8th November 6pm

Film Night – 3rd December until 5pm

Christmas Fair – 12th December until 5pm

Head Bump Wrist Bands

To help promote awareness and ensure further safety and vigilance for our children, we will be issuing all children who are treated in school for a head bump injury with a colourful wristband. These wristbands will serve as a reminder to all staff in school that the children has had a head bump during the school today and should they display any signs of concussion this will not then be mistaken for illness. You will also receive an email and a notification through the school spider app.

School Trips and Residential

We are in the process of finalising the trips and residential for this academic year. By half term, we are hoping to be able into a position to provide you with the full details. We will then unload the payments details to school money to provide you with more time to pay. Please don't over stretch yourself. If you are going to struggle to pay, please complete a financial form. We will then be able to help with some of the cost. The Up and Under Foundation and the Church House Fund have always supported us in the past.

Starting the school day on the right foot!

It's important that the children come to school prepared for their school day with a water bottle and their bookbags. The children in Squirrels and Badgers' Class also need their pencil cases.

It's also important that they arrive on time. The school gates open at 8:30am and the register is taken at 8:45am. Children arriving after 8:45am receive a late mark in the register. We do understand that from time to time a child might be late, but it's important that it's not most days. From 8:30 to 8:45am the children have a chance to catch up with their friends, put their things away and complete some early work challenges. The class teachers also use this time to work with some of the children. Being late can be really unsettling for some children.

Let Your Light Shine - Ours Stars this Week:

Otters (Reception) ~ Sebastian for the service he has shown in his sound blending in this weeks phonics lessons.

Hedgehogs (Y1) ~ Penelope for wisdom shown in science, categorising animals

Hedgehogs (Y2) ~ Alyssa for her perseverance in her writing.

Squirrels (Y3) ~ Ivy for showing generosity whilst helping others with their work, without being asked.

Squirrels (Y4) ~ Niamh for the joy shown when representing our school in this weeks hockey tournament.

Badgers (Y5) ~ Lucas for the wisdom and enthusiasm he shows in all of our class discussions.

Badgers (Y6) ~ Alfie for the perseverance, hard work and dedication he shows in all areas of his learning.

PE Award (KS1) ~ Sebastian for showing friendship when helping others with the rules of the Toy Story game.

PE Award (KS2) ~ Azalea for showing perseverance when refereeing

Mrs Appleby's Principal Award (KS1) ~ Sebastian for always greeting everyone with a smile.

Mrs Appleby's Principal Award (KS2) ~ Emily for letting her light shine so brightly every day.
