'Let Your Light Shine'

Matthew 5:16

Today marks a very special milestone ...

Our Year 6 students have just finished their SATs and have been rewarded with their leavers' hoodies. We couldn't be prouder to each and every one of them. They all have shown incredible grit, resilience, and determination - embracing every challenge with a calm spirit.

Year 6 ...

Your uniqueness, creativity, and heart shine through everything you do. Each challenge you've met has helped shape you into the amazing individuals you are today, and that is what will carry you forward into the future.

And the celebrations aren't over yet! We have some exciting things planned, starting with our leavers' trip to London - a chance to make unforgettable memories together. Plus, we know your parents are busy organizing your prom, a special event to mark the end of this incredible chapter and the beginning of a new adventure.

Enjoy every moment—you've earned it!

Village Hall Car Park

I would like to remind everyone that the village hall carpark is private property and may only be used with explicit permission from the village hall committee. If you require access or are experiencing any difficulties, please contact the village hall directly to request permission.

Recently, we have noticed an increase in vehicles using the carpark without the necessary authorization. For the safety of our children and to maintain our positive relationship with the village hall committee, we kindly ask that you **refrain** from parking in the village hall carpark unless you have been granted permission.

I truly appreciate those of you who have been following our guidelines. Your support plays a vital role in keeping our community safe, and it helps us preserve a good relationship with the village hall.

Thank you for your understanding and cooperation.

Punctuality Matters!

Starting after half term, we kindly remind families that **children must be in class by 8:45am**, ready to begin their learning. To ensure they have enough time to settle in, children should **aim to arrive by 8:40am**.

Arriving on time allows children to take part in early work challenges and enjoy valuable moments catching up with friends before lessons begin. Those who arrive late miss out on these opportunities and often walk into a classroom where everyone else is already engaged in learning. A timely start helps children feel prepared, confident, and ready for the day ahead. Thank you for your support in reinforcing good habits and ensuring a prompt start for all!

New Signing In & Out Procedures

Starting after half term, we will be implementing a new process for **signing in and out** of school. Parents will be required to **sign their children in** if they arrive late and **sign them out** if they leave early.

This change is designed to ensure clear communication and accountability while helping us maintain accurate attendance records. We appreciate your cooperation in supporting this updated procedure.

School Dinner Booking Update

Starting after half term, we kindly ask that all school dinners be **booked in advance** for the following week. To help Chartwells plan meals effectively, **bookings must be made by midnight on Thursday of the previous week**.

In the case of an emergency, parents can contact the school office, and Mrs. Marsden may be able to add your child to the list. If a meal isn't ordered we will assume a packed lunch is being provided. Thank you for your support in helping us manage our meal service efficiently. If you have any questions, please do not hesitate to reach out.

Let Your Light Shine ~ Ours Stars this Week:
