‘Let Your Light Shine’

Matthew 5:16

Dear Children,

We only have one more half term until the end of another exciting school year - a time when we say goodbye to our amazing Year 6 friends and welcome our new Reception children into our school family. I want you all to know how incredibly proud I am of each of you for everything you have achieved, both personally and academically. You continue to let your light shine, and that fills my heart with joy!

Next half term is set to be wonderfully busy. Some of you will be going on an adventure to Chester Zoo, play with the Halle at the Bridgewater Hall, and enjoy Town Sports and our big Sports Day. We're also really excited about our very first CDAT sporting competition, and later, we'll have the Chester Leavers' service along with our own special leavers' service to celebrate our Year 6 journey.

Your teachers are now starting to write your end-of-year reports, capturing all of the hard work and wonderful achievements you have shown throughout the year. I am so proud of everything you've accomplished, and these reports will be a lovely reminder of how far you have come. We're already busy planning more trips and residential activities for next year - so get ready for even more fun and learning adventures!

Have a fantastic half term holiday - fingers crossed that the amazing weather stays with us and the heavens don't open! Keep shining brightly, and enjoy every moment of your break!

Love Mrs Appleby x

Year 6's London Adventure: A Day to Remember!

Last week, as a well-deserved reward for completing their SATs, our Year 6 children embarked on an unforgettable trip to London. For many, it was their very first-time riding on the tube - a thrilling introduction to one of the world's most iconic transport systems.

The day began with an exciting journey across London by underground; wide-eyed children marveled at the hustle and bustle of the trains. Once on the surface, we boarded a boat for a scenic cruise along the River Thames. Departing from Westminster Pier, the children were captivated as the boat glided past some of London's most remarkable landmarks on its way to the Tower of London.

We walked across the famous Tower Bridge, enjoying breathtaking views of the river and the city skyline. At the Tower of London, while having lunch amidst history, they watched the world go by. It was here that they even caught sight of vibrant poppies cascading over the ancient walls and around Traitor's Gate - a moment that truly brought history to life.

Still buzzing with excitement, the adventure continued with a walk to St Paul's, before we crossed the Millennium Bridge (much to the children's disappointment when it didn't wobble as they had hoped) to see Shakespeare's Globe and the renowned Golden Hind. No London trip is complete without sampling local treats, and our Year 6's enjoyed a delicious stop at Borough Market where they savoured goat's milk ice-creams, smoothies, or waffles.

Their day rounded off with another Tube ride - from London Bridge to Euston - before settling in for dinner at Pizza Express. The journey home was just as special: as the train made its way back to Crewe, the children began singing some of the songs they had been learning with Mrs Henry. Their cheerful renditions brought rounds of applause from fellow passengers, and even the train conductor asked for another performance!

This trip was more than just an outing - it was a journey of discovery. The children not only saw wonders of history and modern London but also gained independence, confidence, and a deeper appreciation for the world around them. Their eyes were opened to the possibilities that lie beyond the classroom, making this a day they will remember for a lifetime.

Home Learning Projects

I would like to thank everyone who has helped their children complete their home learning projects - and for taking the time to visit our Home Learning Exhibition. There are many opinions about homework: some feel it is a waste of time, while others believe that not enough is provided. Whatever your personal view, one thing is undeniable: the radiant pride on your children's faces as they share their work.

It has been an absolute pleasure to see the children eagerly explaining their projects; their excitement and sense of achievement are a testament to the positive impact of your support. Whether you spent time guiding them through the details or encouraged independent effort (a gentle reminder that a little extra help can go a long way), your involvement has made a tremendous difference.

I would also like to thank extended family members who have supported our students along the way - especially the families from Badgers Class. Their creativity shone through in the amazing recycled flowers project, which was a standout display of passion for sustainable art.

For those who might not have been able to attend the exhibition in person, photographs of the children's work are available on our Facebook page. We hope these images bring a smile and a sense of pride to all who see them, reinforcing just how special these projects are.

Thank you once again for your dedication and support. It is your partnership in your children's education that lights the spark for lifelong learning and creativity.

Music Celebration

Thank you so much for attending this morning's music celebration, where we had the pleasure of showcasing the fantastic work our children have been doing with Mrs Henry. A very special thank you goes to Craig who accompanied the children as they sang and for bringing Hedgehogs' leitmotifs to life.

We are excited to announce our next musical event: Warmingham Sings. During this event, the children will have the opportunity to join Phoenix Voices as they sing together to raise money for St Leonard's church tower. If you would like a ticket or more information, please speak to Mrs Marsden. See the poster for more details.

Celebrating Kindness: Niamh's Amazing Contribution!

We are delighted to share some wonderful news with you. Niamh's mum received an email from the Barnardo's charity shop informing them that Niamh helped them raise just over £94 with the items she donated for our 'Show Kindness Project' before Christmas. Niamh's thoughtfulness is inspirational - she has shown that even small acts of kindness can make a big difference in our community.

As many of you know, our children have been working hard to earn their badges as part of our school's journey towards the Social Impact Schools Award: SuperKind. This award recognises the positive impact our children have on the world. Every act of kindness, including Niamh's amazing contribution, brings us one step closer to achieving this prestigious accolade.

Well done Niamh!

Punctuality Matters!

Starting after half term, we kindly remind families that **children must be in class by 8:45am**, ready to begin their learning. To ensure they have enough time to settle in, children should **aim to arrive by 8:40am**.

Arriving on time allows children to take part in early work challenges and enjoy valuable moments catching up with friends before lessons begin. Those who arrive late miss out on these opportunities and often walk into a classroom where everyone else is already engaged in learning. A timely start helps children feel prepared, confident, and ready for the day ahead. Thank you for your support in reinforcing good habits and ensuring a prompt start for all!

New Signing In & Out Procedures

Starting after half term, we will be implementing a new process for **signing in and out** of school. Parents will be required to **sign their children in** if they arrive late and **sign them out** if they leave early.

This change is designed to ensure clear communication and accountability while helping us maintain accurate attendance records. We appreciate your cooperation in supporting this updated procedure.

School Dinner Booking Update

Starting after half term, we kindly ask that all school dinners be **booked in advance** for the following week. To help Chartwells plan meals effectively, **bookings must be made by midnight on Thursday of the previous week**.

In the case of an emergency, parents can contact the school office, and Mrs. Marsden may be able to add your child to the list.

Warmingham Wombles – Booking Sessions

Starting after half term, we kindly ask that all Wombles sessions are booked **in advance** for the following week. To help us plan meals and activities, **bookings must be made by midnight on Thursday of the previous week**.

In the case of an emergency, parents can contact the school office, and Mrs. Marsden may be able to add your child to the list.

INSET Reminder!

School will be closed on Monday 2nd June 2025.

WARMINGHAM CE PRIMARY SCHOOL

Year 6 CAKE SALE

Friday 6th June 2025

Year 6 will be selling cakes at break time and after school to raise funds for their prom.

Donations of cakes will be gratefully received.
