

### Super Starter

We will start our study theme by finding some 'over-sized' clothes and what looks like a handyman's leaflet. What could this all mean?

As **Readers** and **Writers** we will enjoy the fictional text 'Grandad's Secret Giant' by David Litchfield.

This text will teach us the importance of tolerance and acceptance. As we write our own version of the story, we will focus on morals and acceptance of others.

As **Theologians**, we will be engaging in the unit of '**Ascension and Pentecost**'. By listening to stories of the Ascension and Pentecost, we will explore the symbolism and power of the Holy Spirit. We will look at pieces of art work that interpret these events.

As **Scientists** we will continue our learning about '**Living Things & Habitats**'. We will also continue to study **Weather** patterns as we observe changes through the **seasons**.

## How can we look after our environment?

### Hedgehogs' Class

Summer 2 2025

As **Musicians** we will be linking our knowledge of the changing weather patterns through the seasons. We will play 'tuned' and 'untuned' instruments to accompany our weather songs, taking inspiration from '**The Four Seasons**' by Vivaldi.

As **Computer Technologists** we will be using Purple Mash to learn about '**Pictograms**' and '**Presenting Ideas**'.

As **Artists** we will collectively create a **school mural**.

As **Historians** we will be linking our learning of conservation as we learn about the history of **Chester Zoo**. We will learn how it has become a zoo committed to preventing wildlife extinction and raising awareness around key conservation and environmental challenges across the UK and the world.

**For our RSHE:**  
**British Values: The Right to be Safe & Healthy**  
Articles: 16,17,19,24,27  
**Heartsmart** – No Way Through Isn't True!  
**Christopher Winters** - SRE

As **Mathematicians** we will be learning about:

- Measurement
- Statistics

As **Courageous Advocates**, we will continue to raise awareness about **conservation**.

As **Sports people** we will be developing our '**Games for Understanding**' and '**Running**' techniques.

### Fantastic finish

We will complete our study theme by completing and displaying our school mural.
