☀️ **Last Week of Term – Let's Celebrate Together!**

Can you believe it's already the final week of term? It's flown by in a whirlwind of learning, laughter, and lovely memories - time really does fly when you're having fun!

Here's what's coming up as we round off a brilliant year:

📅 **Monday Afternoon** – Our amazing Year 5/6 Research Team will be sharing their findings, and we'll also be hosting our Home Learning Exhibition. Families are invited from 3pm to come and explore the incredible work the children have produced.

🎉 **Wednesday Evening** – It's time to dress to impress at our Leavers' Prom! We can't wait to celebrate all the good times with our fabulous leavers.

😄 **Thursday** – A long-time favourite returns... Break the Rules Day is back! Children are invited to bend the rules (just a little!) in support of our amazing PTA, which continues to fund so many wonderful experiences and resources for our school. It's all in good fun and for a great cause—thank you in advance for your generosity and sense of humour!

💖 **Friday Morning** – Everyone is welcome to join us for our Leavers' Service and end of year awards, where we'll come together to wish our Year 6s all the very best as they head off on their next adventure. We're going to miss them so much -they've truly left their mark on our school with their laughter, kindness, and hard work. It's never easy to say goodbye, but we know they're ready to soar.

📄 End-of-Year Reports are coming home with the children tonight. I've had such a pleasure reading them—it's so clear how much our children love their learning themes and how much effort they put in every day. I'm sure you'll enjoy sitting down with them and celebrating their brilliant progress. Please don't forget to return the attached slip by next Wednesday.

Thank you all for your support this year - it's been an absolute joy.
Let's make next week one to remember!

Stay Safe this Summer

Whether you're staying at home or going on holiday this summer, make sure you are being safe in and around the water.

What to do if you see someone in trouble

Shout – "Are you in trouble? Can you swim towards me, or stand up?"

Reach – find a long object that you can let go of, to try and reach the person. Lie down or crouch so you aren't pulled in too.

Throw – throw something to help keep them afloat - throwlines (floating lines), footballs, and life rings are great options.

Don't go – Never go into the water yourself; keep eyes on them and call 999 immediately.

If you're in trouble, Float to Live - lie on your back, keeping your mouth above the surface, and try to gently move to safety. Stay calm.

Have a very happy, and safe, summer!

Getting Ready for September

As we look ahead to the new school year, here are a few helpful reminders so that everyone is ready for a smooth start.

Uniform

Our full uniform list can be found on the school website. Just a quick reminder:

- Blazers are optional and only for children in Key Stage 2
- Please no rucksacks, as we don't have space to store them
- Children need a bookbag and a drawstring PE bag

Water Bottles

Each child will also need a reusable water bottle (between 500ml and 1 litre). We have water fountains in school that provide fresh, chilled water. Children are encouraged to finish their bottle by lunchtime and refill it for the afternoon. Bottles will be sent home each day to be washed and ready to go again the next morning.

Pencil Cases (Squirrels & Badgers only)

Children in Key Stage 2 will need a small pencil case containing:

- A couple of HB pencils
- A small ruler
- Two different coloured highlighters
- A sharpener with a container for the shavings
- A glue stick
- An eraser

We'll provide each child with:

- A pair of scissors
- Handwriting pens and their green for growth pens
- Colouring pencils and felt tips

Pencil cases will come home every Friday so families can top up any bits that have been used.

Let Your Light Shine ~ Ours Stars this Week:

Otters (Reception) ~ Ted for the wisdom he has shown in his reading.

Hedgehogs (Y1) ~ Elsie B for her joy in showcasing her learning of RE.
