Dear Parents,

The week started with us returning to bubbles – something we hoped we would never have to do, although we knew it was only a matter of time. The children's resilience and positivity has amazed us this week. Not one of them has moaned – in fact the total opposite. They have simply adapted to bubbles once again. As we come out of this pandemic, I am sure this will not be the last time we will need to return to bubbles, PCR and LFT testing. I would also like to thank you all for the support you have shown this week. Together, we will ensure that we are doing everything possible to keep our children, families and staff safe.

On Wednesday, we were able to go ahead with our Fashion and Fizz night. We raised around £800, which is incredible. This event took a lot of organising behind the scenes and on the night. I'm sure you'll join me in thanking our PTA for their time and dedication – thank you.

Next week, we will still be in our bubbles which means there will be no after school clubs again next week. Hopefully, if everything goes to plan we will be able to pop our bubbles once again on Monday 29th November – fingers crossed!

Stay safe and have a wonderful weekend.

Kind Regards,

Kate Appleby

Putting On The Right Attitude

'Clothe yourselves with compassion, kindness, gentleness and patience.'

Colossians 3v12

St Paul wrote the words over 2000 year ago. Each morning when you get dressed, imagine that you are covering yourself with the attitudes of compassion, kindness, humility and patience.

Prayer for the Week

Lord Jesus,

During your life on earth, you showed compassion and kindness to so many people who were suffering and unhappy.

Thank you for people who have shown compassion and kindness to us and given us the courage to keep going even when times were tough.

Remind us this week, when we put on our school uniform, to put on the attitudes of compassion and kindness in all that we do.

Online Safety

Important message from our PCSO Mandy Simpson, our Police Youth Engagement Officer

Due to a number of recent reports and concerns around children being exposed to inappropriate material online on all sorts of different platforms including You Tube, Netflix, Roblox and Tik Tok, I wanted to share this useful app with you.

National Online Safety offers free online safety guidance for parents on the latest apps, games, platforms and devices. It can be accessed on line at <https://nationalonlinesafety.com> and followed on Facebook and Instagram.

Please visit the site and use the guidance to understand what your children are accessing and how to apply parental settings to all apps and games as well as regularly checking devices including images, installed apps and conversations.
