## *‘Let Your Light Shine’*

*Matthew 5:16*

As we reach the end of another school year, we’ve shared a truly special service - one full of happy memories, heartfelt tears, and excitement for the journey ahead. It was a time to celebrate everything our children have achieved and to look forward to the adventures waiting just around the corner.

We laughed, we cried, we sang together. And through it all, we were reminded of the strength, kindness, and joy that lives in our school community.

To our incredible Year 6 children: we are so proud of you. You’ve grown into thoughtful, resilient, and compassionate young people. You’ve made us smile, made us proud, and made a difference in our school. Though it’s hard to say goodbye, we know you’re ready for your next adventure.

This school has been a place where you’ve laughed, learned, grown, and been loved. A place where your light has truly shone. Now it’s time to take that light with you - to new schools, new friendships, and new adventures. We’ll miss you more than words can say, but we’re so excited to see what you do next.

Our leavers’ service was filled with music and meaning. From *My Lighthouse* to *Over the Rainbow*, *Somewhere Only We Know* to *World Outside My Window*, each song captured something special - memories of the past, hope for the future, and the courage to step into the unknown.

As we sang *World Outside My Window* to close our service, we were reminded that the world is wide, beautiful, and full of possibility. Year 6, it’s waiting for you - with open arms and endless opportunities.

So... as you step out into that world, remember everything you’ve learned here. Remember the friends you’ve made, the love you’ve shared, and the light that shines in you.

**Be brave. Be kind. And never stop being you!**

♥ Good luck ♥  
we will miss you

As we celebrate our children moving on, we also say goodbye to some very special members of staff.

Miss Turrell, Mrs Fewtrell, Mrs Charlesworth, and Mrs Fitzpatrick - thank you for everything. Your dedication, warmth, and care have left a lasting mark on our school. You've supported, inspired, and brought joy to so many. Though we're sad to see you go, we're excited for what lies ahead for each of you. You'll always be part of our story.

To all our children, families, and staff - thank you for a fantastic year. May your summer be filled with laughter, sunshine, and memory-making.

**With love from all of us at Warmingham CE Primary** 🍷

School starts again on Tuesday 2<sup>nd</sup> September 2025.

## Getting Ready for September

As we look ahead to the new school year, here are a few helpful reminders so that everyone is ready for a smooth start.

### Uniform

Our full uniform list can be found on the school website. Just a quick reminder:

- Blazers are optional and only for children in Key Stage 2
- Please no rucksacks, as we don't have space to store them
- Children need a bookbag and a drawstring PE bag

### Water Bottles

Each child will also need a reusable water bottle (between 500ml and 1 litre). **It's important that the children can hold it in their hands.** We have water fountains in school that provide fresh, chilled water. Children are encouraged to finish their bottle by lunchtime and refill it for the afternoon. Bottles will be sent home each day to be washed and ready to go again the next morning.

### Pencil Cases (Squirrels & Badgers only)

Children in Key Stage 2 will need a small pencil case containing:

- A couple of HB pencils
- A small ruler
- Two different coloured highlighters
- A sharpener with a container for the shavings
- A glue stick
- An eraser

We'll provide each child with:

- A pair of scissors
- Handwriting pens and their green for growth pens
- Colouring pencils and felt tips

Pencil cases will come home every Friday so families can top up any bits that have been used.

## Stay Safe this Summer

Whether you're staying at home or going on holiday this summer, make sure you are being safe in and around the water.

### What to do if you see someone in trouble

**Shout** – "Are you in trouble? Can you swim towards me, or stand up?"

**Reach** – find a long object that you can let go of, to try and reach the person. Lie down or crouch so you aren't pulled in too.

**Throw** – throw something to help keep them afloat - throwlines (floating lines), footballs, and life rings are great options.

**Don't go** – Never go into the water yourself; keep eyes on them and call 999 immediately.

**If you're in trouble, Float to Live** - lie on your back, keeping your mouth above the surface, and try to gently move to safety. Stay calm.
