

Badgers Homework Matrix for Autumn 2025

Select **one** of tasks from the table below.

Don't forget we expect the same high-quality research, thought and care with presentation, as we do in school.

Visit some of the beautiful waterfalls which can be found in the UK and take some photographs of them.	Plan a family holiday to America to see The Niagara Falls or The Grand Canyon. You will need to put together an inventory of your visit including your flights, where you will stay and what you plan to do while you are there.	Choose another of the famous North American landmarks to research. You can choose how you would like to present your work.	Find out if there are any hydropower stations in the UK. Find out about how they work, how much power they produce. You can choose how you would like to present your work.
Build a model of a waterfall.	Find out which animals live in The Grand Canyon, and how they have adapted to survive in their environment. You can choose how you would like to present your work.	Choose a famous North American landmark to either paint a picture or create a model of.	Create some Top Trump cards about the famous landmarks which can be found in North America.

You will need to bring your work back into school on Monday 20th October 2025, when you will share your work with our class and the rest of the school in our home learning exhibition.

Parents are welcome to join us from 3pm.
