On Wednesday night our Parent Council will be meeting to discuss any questions raised and share ideas. We still have spaces for two reception and Year 3 parents on our council – is this something you would like to be involved in?

The aims for the meetings are:

- To work in partnership with the school to create a welcoming school which is inclusive for all parents,
- To promote partnership between the school, our pupils, the Parent Teacher Association and all parents,
- To develop and engage in activities which support the education, welfare and personal development of the pupils,
- To identify and represent the views of parents on the education provided by the school and other matters affecting the education, welfare and personal development of our pupils.
- Our parent council is a working partnership, where we celebrate our successes and work together to ensure that we provide our children with the very best opportunities so they become lifelong learners.

Please let me know if you would like to join our parent council. Stay safe and have a wonderful weekend.

Kind Regards,

Kate Appleby

Principal of Warmingham CE Primary

## Overcoming Fear

2 Perfect love casts out all fear." 1 John 4.18

Sometimes our fears can stop us having fun or trying something new. With Gods love, we can have the courage to overcome our fears.

## Prayer for the Week

Loving God,  
 Our adventurous Creator,  
 Give us to choose the path before us,  
 Risking disappointment to find joy,  
 Risking failure to be creative,  
 Risking rejection so that we might love,  
 Risking stumbling so that we might climb,  
 Risking the journey for the sake of the homecoming,  
 We ask in the name of Jesus,  
 Who risked living and dying for our love of us,  
 Amen

### Squid Games

It's come to our attention that a few of our children are watching 'Squid Game' programme on Netflix's, and have started playing it at school.

It is not suitable for children under the age of 17 because of its crude language, sexual content and graphic violence. I have spoken to children to explain that they shouldn't be watching it.

Could you please check your parental settings to ensure that inappropriate content is being filtered out. We have also reminded the children that if anything inappropriate 'pops' up on their screen, they should bring their devices straight to you. They know that they won't get in trouble. Thank you - together we will keep our children safe.

### Online Safety – Digital Parenting

As a parent, it has always been a challenge keeping one step ahead of technology when it comes to keeping our children safe whilst they play online. There are a lots of really useful websites for parents. When Tilly and Jess were growing up, I always found the Digital Parenting website particularly useful – very user friendly and up to date.

### Netflix's

Times have really changed – there are now so many platforms where we can view films and programmes. As with all online resources, it's important that we use the parental controls to keep our children safe online. Did you know that there is a children's version of Netflix's?
