“Encourage one another and build each other up.”

1 Thessalonians 5:11

Dear Parents,

This week, Squirrels and Badgers have been travelling over to Bunbury for their swimming lessons. The children have loved it. For some, they were anxious about getting in the water, but with a little encourage they went in. Others were so excited as they adore swimming. The children have said that they prefer swimming every day for a week rather than going once a week, as they can see how much progress they are making. They have all let their lights shine brightly.

We have already booked the pool for next year. Once the children have reached the National Curriculum expectations for swimming, they will have the opportunity to improve their swimming technique whilst also learning some life saving skills. I would like to thank you for your understanding, as the coach has been late a few times due to the many roadworks around. [Swimming](#)

Next week, we will be practicing for the Wakes on Saturday. Thank you for completing the survey on School Spider. If you haven't already done so, could you please complete it by next Tuesday, so we know definite numbers.

The school will be closed on Monday as it's a Bank Holiday – fingers crossed the sun shines all weekend. Have a wonderful time with your families.

Kind regards,

Kate Appleby

Supporting One Another

Luke 5 17-39

We will be thinking about friendship and how friends can be relied upon, and how they will do anything to help each other. A sign if a true friend.

Prayer for the Week

Let our **friendships** be strong, O Lord,
That they may become a blessing to others.

Let our **friendships** be open, O Lord,
That they may be a haven for others.

Let our **friendships** be gentle, O Lord,
That they may bring peace to others.

For Jesus' sake

Amen

Relationships and Sex (RSE) are part of our Relationships, Sex and Health Education (RSHE). Our RSHE curriculum develops the knowledge, understanding and skills young people need to manage their lives, now and in the future. Learning about relationships and sex supports children to stay safe, enjoy positive relationships of all kinds, and make informed decisions. It will build positive foundations for healthy and safe relationships of all kinds.

At Warmingham, our curriculum starts with our family and friends and how to be kind, the importance of caring and respectful relationships before moving onto how our bodies change during puberty in preparation for reproduction and the basic facts about pregnancy in Year 6. As part of the curriculum, we also cover online relationships because of the world we live in today. We use the 'Christopher Winters Project' to deliver our Relationships & Sex Education during the summer of each year. This year, will be delivering the age appropriate lessons after half term.

A copy of our RSHE scheme of work, Relationships Policy and the units of work from the Christopher Winters Project can be found on our website in the 'Pastoral Care and RSHE' section. [Our RSHE Curriculum](#) and [Relationships and Sex Education](#).

If you would like to discuss any part of the curriculum, please speak to your child's class teacher or Mrs Appleby.

Dear Parents,

I wanted to write a little introduction just to say that I'm the new Chair of the PTA and can't wait to get started in the role. The PTA will continue to work with the whole school community to make exciting things happen for our children. We can do this together!

We're all very busy people and I know it's a challenge to keep up with the craziness of school and home-life. I'm fairly new to the school, so am hoping to get to know lots more parents and work together as a team. With that in mind the PTA would like to invite you for a coffee and a pastry at the Bears Paw on the 13th May at 9.15am. Perhaps this might be an easier time to meet as its not bedtime? There will be no pressure to sign up for volunteering. Just some good chat that will inspire some new ideas!

Yours Sincerely
Claire Henry
